

Timetable First Semester 2026/2027

MASTER

Specialty: MASTER DD – Big Data Automatique et Instrumentation

	8:00–9:30	9:30–11:00	11:00–12:30	BREAK TIME 12:30–13:00	13:00–14:30	14:30–16:00	16:00–17:30
Saturday	Advanced Networks (C) on line	Industry 4.0 (C) on line RAHAL	Entrepreneurship (C) on line	BREAK TIME 12:30–13:00			
Sunday		Big Data Architecture (C) on line	Big Data Architecture (TD) on line		Industrial Instrumentation and (C) on line YAH	Industrial Instrumentation and (TD) on line YAH	Industrial Process Control (TD) on line
Monday			Machine Learning (C) on line		Machine Learning (TP) on line	Industrial Process (C) on line RIGHI	Industrial Process Automation (TD) on line RIGHI
Tuesday					Industrial Process Control (C) on line BOUDRAHEM	Object-Oriented Programming in Python (C) on line BENCHABANE	Object-Oriented Programming in Python (TP) on line BENCHABANE Besma
Wednesday		Advanced Algorithms and Complexity (C)	Advanced Algorithms and Complexity (TD)		Industrial Instrumentation and Smart Sensors (TP) SAHRAOUI Leila	Advanced Databases (C)	Advanced Databases (TP)
Thursday			Data Analysis (C) on line		Data Analysis (TD) on line	Power Electronics for (C) on line MOKHNACHE Raouf	Power Electronics for Industry (TD\TP) on line MOKHNACHE Raouf
